## Todo TipIDD for 5 numbers!

70 IDD minutes per day x 7 days, \$20 lang!

- ◆ Valid for calling the initial 5 Globe/ TM numbers per package at different times.
- ◆ Airtime rate of HK\$0.2/minute applies.

Dial \* 101 \* 434 # NOW!

To call: Dial 1513 + Country Code + Globe/TM Number sa Pinas Ex. 151363917xxxxxx

Promotion till 31 Dec, 2023.

Like us on Facebook  
CSL Filipino Prepaid SIM

Terms and Conditions of Todo TipIDD:  
1. The Todo TipIDD subscription ("TipIDD") is only available to Kumusta Ka Prepaid SIM users ("Users"). 2. TipIDD entitles users to 490 IDD minutes (i.e. 70 mins./day X 7 days; Remaining daily usage cannot be carried forward to next day and to be forfeited accordingly), calling from their Kumusta Ka Prepaid SIM to Globe/ TM mobile numbers in the Philippines (except numbers starting with 63817 and 63996). Upon successful subscription to TipIDD, Users will receive an SMS confirming their subscription. 3. To use TipIDD, please dial prefix 1513 then the Globe/TM number (including country code). If the 1513 prefix is not used, standard IDD rates will apply irrespective of subscription to TipIDD. 4. IDD calls on TipIDD will be charged on a per-minute basis. Local airtime rate of \$0.2/minute will also be charged accordingly. If there is insufficient balance to cover the cost of the local call, IDD minutes will not be usable until the account is topped up prior to expiry of subscription. 5. TipIDD is provided by Globe Telecom, TipIDD is intended for the User's personal use only, and should not be used for call forwarding. It may be terminated at any time without prior notice based on Globe/TM's terms and conditions. 6. A maximum of five (5) different Globe/TM numbers may be called per subscription to the TipIDD. 7. If the subscription to TipIDD is terminated or the 490 IDD minutes (i.e. 70 mins./day X 7 days) are used up before expiry, calls to Globe/TM using the prefix 1513 will no longer be recognised by the system. New TipIDD Package can only be subscribed when existing TipIDD package expired. 8. During peak hours of service, customers may encounter difficulties accessing TipIDD. 9. CSL Mobile Limited ("we/our") reserves the right to terminate or amend the offer or these terms and conditions at any time without prior notice. In the event of disputes, our decision will be final.

## cs/ VoLTE Service (for prepaid customers)

Don't miss your Premium Quality Voice services!

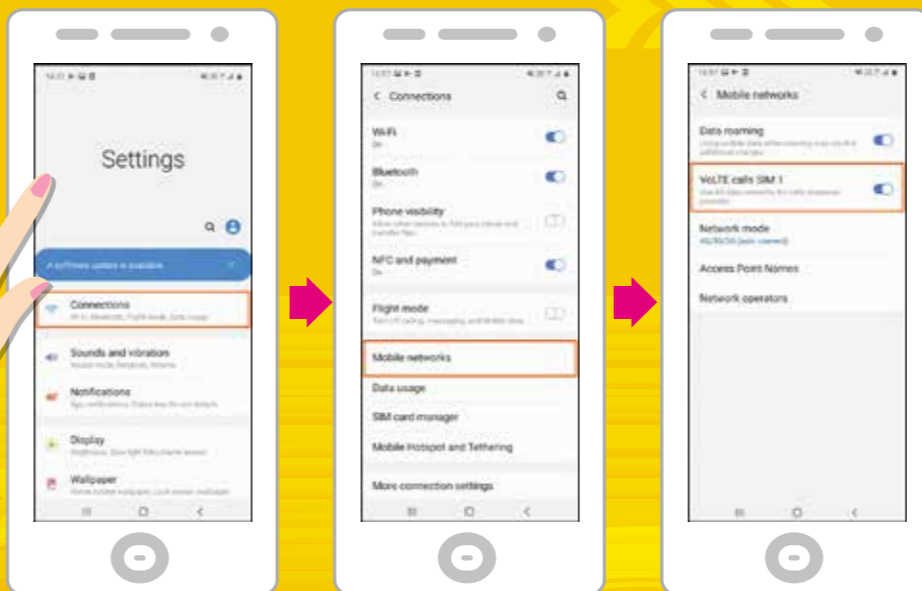

Enable Voice over LTE "VoLTE" in your device for FREE

cs/ VoLTE Service, which brings voice call and video call to a brand new generation! VoLTE (Voice Over LTE) means connection of voice and video call through 4G LTE network. As a valuable cs/ Prepaid SIM card customer, you can now enjoy a FREE upgrade to experience voice call with speedy connection and video call with high quality!

### Benefit of using VoLTE:

- 1 second connect
- High Quality Video Call
- Swap between Voice and Video Call during the call

### How to activate the VoLTE function of the handset Samsung (Android 10)

Via handset Setting, select "Connections" → Select "Mobile networks" → Turn on "VoLTE calls SIM 1"

### Remarks:

- VoLTE service is only available under 4G LTE network coverage for intra-network calls with designated handsets.
- Video call is a chargeable service, usage will be rounded up to the nearest minute. There is no additional charge for using VoLTE for video calls.
- VoLTE Video call is only available when both users are using VoLTE service..
- Details, please visit <http://bit.ly/2QNPPgX>
